Murch is a wonderful school because of all the effort that teachers, staff and parents put in. Community-building events, fundraisers, and helping out the teachers and the staff are just a few of the ways that Murch parents give back. If you are new to Murch or a returning parent looking for new ways to get involved—take a minute and fill out our form. Volunteering at Murch is not only a great way to help the school but it also allows you build a stronger connection and to have fun!
